# UNITED STATES PATENT OFFICE.

CHARLES MAGEE, OF BROOKLYN, NEW YORK, ASSIGNOR TO THE BIGELOW CARPET COMPANY, OF CLINTON, MASSACHUSETTS.

## DESIGN FOR A CARPET.

Specification forming part of Design No. **10,870**, dated October 15, 1878; application filed September 10, 1878.

[Term of patent 3½ years.]

Specification describing a new and original Design for a Carpet, invented by CHARLES MAGEE, of Brooklyn, county of Kings, and State of New York.

This invention relates to a new and original design for a carpet, oil-cloth, or similar fabric; and it consists of a new arrangement and ornamentation of figures in the body and in the border of the carpet, as hereinafter described.

In the photographic illustration, which represents a face view of my newly-designed carpet, the letter *a* is an irregular shield-like figure surrounded by a border and embellished by floral decoration. *bb* are two figures of different ground color than the shield *a*, and arranged at opposite sides diagonally of such shields. Both figures *bb* are irregular and made of the same design. *cc* are tassel-like

ornaments arranged beneath the several figures *a*. The carpet is embellished by the representation of bouquets *d* and by other floral ornamentations. The border of the carpet contains an inner plain stripe, *f*, and outer zigzag stripe, *g*, having inwardly-projecting semicircular ornaments *h*. Between the stripes *f* and *g* are representations of shields resembling the shields *a*, and floral decorations that extend over the stripe *f*, as shown. The tassel-like ornaments *c* are also in the border.

I claim—

The design for a carpet, substantially as shown.

CHARLES MAGEE.
